

RALEIGH CONVENTION CENTER

MARCH 6 8

Grow Your Impact

The NCTIES Annual Conference is a space where thousands of educators and educator leaders focused on advancing excellence in learning and teaching through the effective use of technology.

Why Send Your Staff?

Meet NC Digital Learning Standards

With over 200 sessions covering digital tools, strategies, coaching and leadership, attendees can choose what's best for them as individuals, a school, or district!

Explore Portrait of a Graduate goals.

While we are an edtech conference, our focus is on bringing modern teaching strategies to benefit student learning.

Spread the learning.

Send your teachers and coaches to NCTIES so they can become your on-site experts to spread the learning to their colleagues, department, or whole school!

Invest in your team.

Asking your team to attend PD at NCTIES is a great of making them feel valued by investing in their learning and leadership

Make new discoveries!

Each year, attendees always discover hidden gems, valuable tools, insights, and information that they didn't know they needed. They can then take these back to benefit your school and districts.

Hone in on specific topics.

Work with your team to attend the sessions that will benefit your school/district and maximize learning.

See what everyone else is doing.

We welcome thousands of attendees and presenters each year, giving opportunities for growing professional learning networks and sharing successful teaching strategies.
