

NCTIES

CREATE + COMMUNICATE + COLLABORATE

Grow Your Impact

Are you looking to make a difference in your school and district? The NCTIES Annual Conference is a space where thousands of educators and educator leaders focused on advancing excellence in learning and teaching through the effective use of technology.

WHAT WILL YOU GAIN AT NCTIES?

Affordability

NCTIES is centrally located in the state and offers an affordable way to gain practical knowledge to take back to your district.

200+ Sessions

With over 200 sessions covering digital tools, strategies, coaching and leadership, attendees can choose what's best for them as individuals, a school, or district!

Explore Digital Learning Standards and Portrait of a Graduate goals.

While we are an edtech conference, our focus is on bringing modern teaching strategies to benefit student learning.

Influential Featured Speakers

At NCTIES, the featured speakers represent a variety of areas of expertise. Their perspectives will provide you with diverse knowledge and experiences as you head back to inspire your students.

Make new discoveries!

Each year, attendees always discover hidden gems, valuable tools, insights, and information that they didn't know they needed. They can then take these back to benefit your school and districts.

Hone in on specific topics.

Personalize your schedule to meet your goals and the needs of your school.
